

## NEWSLETTER January 26, 2009

I have now completed classes for four students. All were new to painting and I am very proud of the paintings they completed. Due to illness with me and my students the month of December was hit and miss but we got the paintings done and done well.

I have great hope that spring will bring new beginnings for us all. I know it is too cold to get out in the evenings, as much as we want to paint.

I have lots of books (over 400) and lots of patterns for you to find just what you want to decorate your home. Whether it is on a canvas, board, box, bucket, milk can, saw blade, or whatever you want to paint on, I have patterns for them.

I know you have questions so don't be shy about asking. Nothing you ask will sound dumb to me. I have been where you are, so I know how you feel.

Spring will be here before you know it so let's get going and make plans.

Contact me for any questions, ideas, or desires of what you want to paint.
